PartsGo review protocol

1. Match the complete "GV-S-16-SC" reference and preserve every suffix, separator, revision code and rating code.
 2. Confirm that the nameplate manufacturer is Ph Hydraulik; similar references from another maker are not treated as identical.
 3. Compare electrical, mechanical, pressure, connection, firmware, and mounting fields that apply to the component class.
 4. Record machine model, operating function, failure mode, and acceptable replacement constraints before alternative review.
 5. Commercial availability is checked against the requested quantity, destination, condition, and delivery target.
